PRECAUTIONARY STATEMENTS

CAUTION

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

May cause irritation of nose, throat, eyes and skin. Avoid contact with eyes, skin, and clothing. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Methoprene is an insect juvenile hormone analogue with activity against insect larvae. It can be used to control species that are harmful mainly as adults (e.g. mosquitoes, flies, and fleas) or at high infestation rates (e.g. beetles, moths in stored products).

MCSI S-Methoprene Technical is for use only in the formulation of Insect Growth Regulator (IGR) products for use on agricultural crops, non-crop sites, ornamental plants and forest trees, processed or manufactured products, food-handling premises, pets and domestic animals and their man-made premises, households, aquatic sites, and wide area and general indoor/outdoor treatments for commercial and industrial uses.

Products formulated from this technical material will require registration with the U.S. Environmental Protection Agency (EPA). Efficacy data will be required by the U.S. EPA for any end-use product registered for control of pests that pose a threat to human health. 5-year efficacy studies will be required by the U.S. EPA for any end-use products registered as termiticides.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store unused product in original container only in a cool, dry area out of the reach of children or animals.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then dispose of in a sanitary landfill or by other approved State and local procedures.

WARRANTY AND CONDITIONS OF SALE

Babolna Bioenvironmental Centre, Ltd., warrants that the chemical composition of this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on the label when used in accordance with label directions under normal conditions of use. Seller makes no other warranty, express or implied, concerning the use of this product other than as indicated on the label. Buyer assumes all risk of use, storage or handling of this material contrary to label instructions.
